

These contractors have demonstrated interest in helping businesses complete a Building Electrification Feasibility Study and apply for funding from utility rebate programs and PACE incentives. Businesses may work with any vendor or contractor and are not limited to those on this list, however, to be eligible for the Building Electrification Study incentive, the study must meet the minimum criteria requirements and funds must be reserved prior to conducting the study. **This list is ordered alphabetically, and Boulder County makes no representations or warranties regarding accuracy of information, quality of service, or proof of insurance for any contractor on this list.**

For additions or corrections, please contact the Boulder County PACE hotline at 303.786.7223.
