

# Forestry Contractors Servicing Wildfire Partners

To receive a Wildfire Partners Financial Award for forestry work, Wildfire Partners homeowners must use one of the forestry contractors on this list. Wildfire Partners does not recommend any one contractor over another contractor on this list. No representation for services is implied by the presence of a contractor name. If a homeowner selects a contractor to complete forestry work, the homeowner will be responsible for supervising the work and for the remaining payment after the Wildfire Partners Financial Award is used.

**Homeowners who wish to complete a portion of their Wildfire Partners forestry work by themselves must do so before scheduling site visits with contractors. All contractors are required to bid on all forestry work remaining at the time of their site visits.**

*\*Please note that the Wildfire Partners Financial Award is for forestry work only; it cannot be used for home retrofits or rock and gravel work. (Updated October 20, 2025)*

Table 1 Forest Contractors Contact Information and Services

| Contractor Name and Contact Information                                                                                                                                                                                                                                            | General Tree Cutting | Slash Removal & Hauling | Large Capacity Chipping | Technical Tree Climbing & Removal | Rock & Gravel Installation | Steep Slope Tree Removal | Pile Burning | Mechanical Treatment (mastication) |
